9/99-8/00
800 hours

Harbor-UCLA Medical Center - Child Assessment Clerkship

University Affiliated County Medical Center
1000 West Carson Street, Torrance, CA 90509

Performed comprehensive intellectual, personality, and neuropsychological assessment of child outpatients in the Child Psychiatry Division of the Harbor-UCLA Medical Center. Patients are primarily from lower SES and diverse ethnic backgrounds. Addressed referrals from the Child Psychiatry Division by reviewing charts, interviewing caregivers and patients, selecting and applying appropriate assessment measures, integrating data and writing reports. Worked within a multidisciplinary team to coordinate patient care and develop appropriate treatment recommendations. Received specialized training in child neuropsychological assessment as well as further training on a multitude of topics including psychopharmacology, hypnosis and licensing law.

Supervisors: Karen Saywitz, Ph.D.; Serene Olin, Ph.D.; Todd Hall, Ph.D.
